

## Timeseries Forecasting

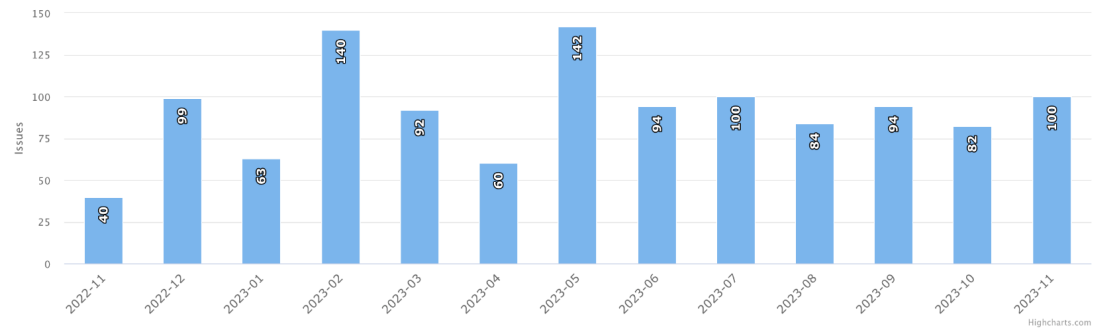

Angular

Angular-cli

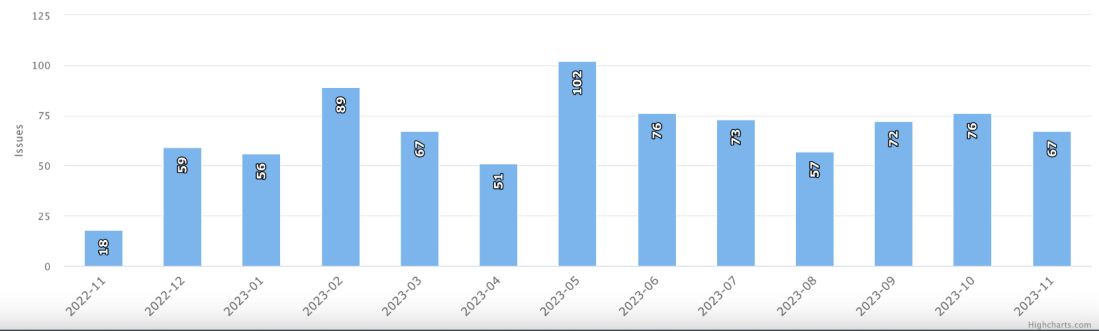

Angular Material

D3

Monthly Created Issues for Angular in last 1 year

Monthly Closed Issues for Angular in last 1 year

## Timeseries Forecasting

Angular

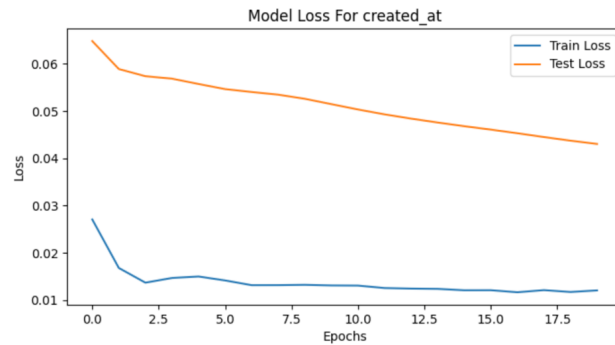

Angular-cli

Angular Material

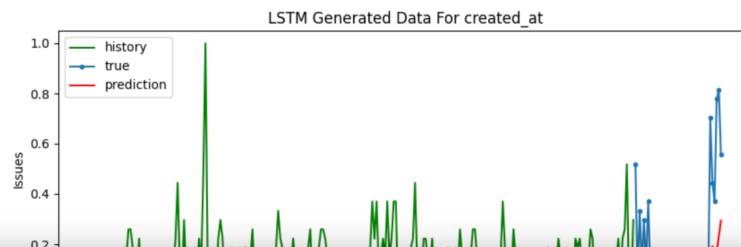

D3

### Timeseries Forecasting of Created Issues using Tensorflow and Keras LSTM based on past month

Model Loss for Created Issues

LSTM Generated Data for Created Issues

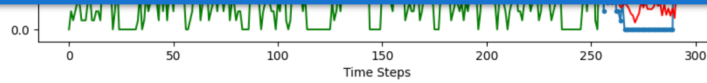

## Timeseries Forecasting

Angular

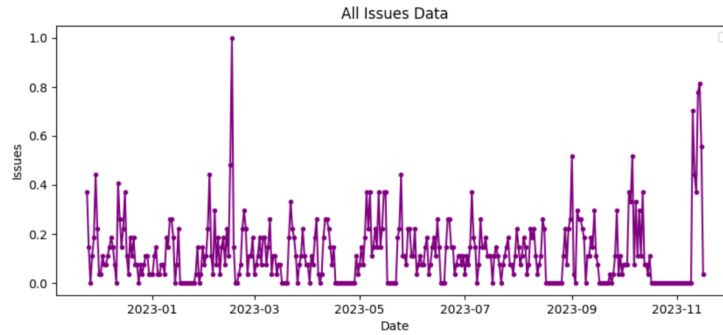

Angular-cli

Angular Material

D3

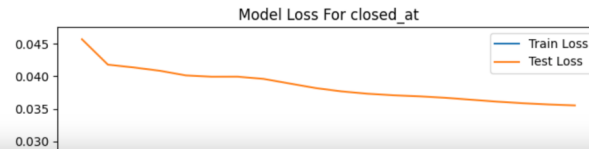

All Issues Data for Created Issues

## Timeseries Forecasting of Closed Issues using Tensorflow and Keras LSTM based on past month

Model Loss for Closed Issues

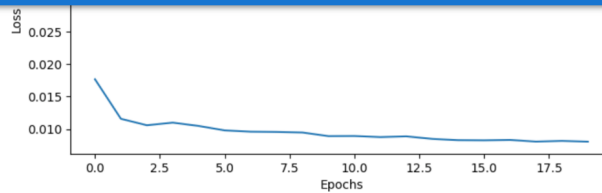

## Timeseries Forecasting

Angular

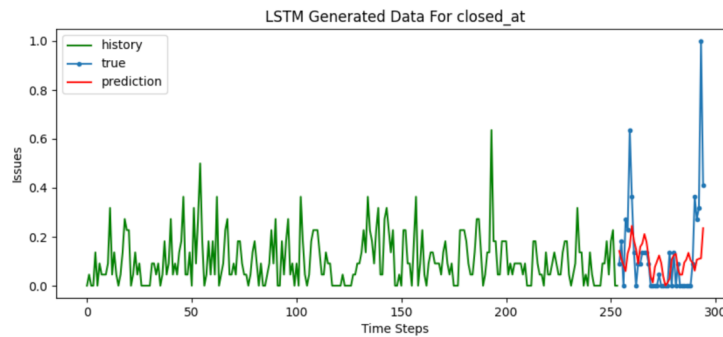

Angular-cli

Angular Material

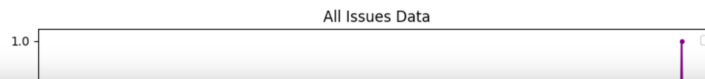

D3

LSTM Generated Data for Closed Issues

All Issues Data for Closed Issues

All Issues Data

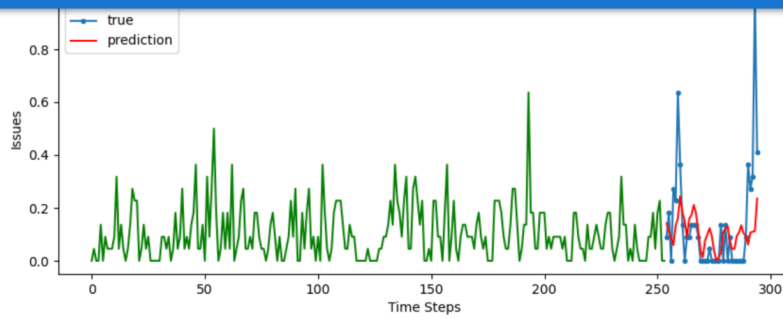

## Timeseries Forecasting

Angular

Angular-cli

Angular Material

D3

All Issues Data for Closed Issues
